Reading Assignment, Week #1

Scheme reference manual, R^4RS, Rees & Clinger

- focus on sections 1-6; skim "reference" part defining various functions
- we'll come back to formal semantics at end of quarter
- note: HTML version of reference manual available from course web page

Text:

- chapter 1 (review)
- chapter 3, sections 1-6
- chapter 4, section 1
  - note: this isn't Scheme, but some other dialect of Lisp. read for general discussion only.
