Background

- Seattle Public High Schools:
  - 50% of students with disabilities graduate

- Individualized Education Program (IEP)
  - Teachers, parents collaborate
  - Individualized student accommodations and goals
Problems

• Tracking student progress towards goals accurately, efficiently
• Ensuring accommodation requirements are met
• Enormous amounts of paperwork

“The IEP experience is just plain awful across the board”
Special Education Teacher

- Create and manage IEPs
- Oversee Gen. Ed. Teachers

General Education Teacher

- Daily goal tracking
- Provide accommodations
Home

- Tablet App Design
- Portable classroom tool
- Vertical align, similar to a clipboard
- Few pages for efficient in-class use
Accommodations

- Quick accommodation reminders
- Multiple access points
- Contextual reminders:
  - Who needs a calculator on this test?
  - Who needs extra time on this assignment?
Student Profile

- Simple, reliable data collection
- Accommodations visibility
- Simplified IEP goal descriptions
Goal Tracking

- Multiple track items per goal
- Goals can share track items
Goal Tracking

- Tally
- 5-Point Rating
- Ratio
- Yes/No
