Homework 7 for CSE/EE 461 (Winter 2001)

Due: Friday, Mar 9, 2001, at the beginning of class. (Out: Wed, Feb 28, 2001.)

Note: be sure to show how you derived answers so that you are eligible for partial credit.

This is the last homework of the course, and it is brief to allow you to study for the final.

1. Token Buckets Peterson 6.43

2. Combining Token Buckets Peterson 6.44

3. HTTP and Web servers Peterson 9.22

4. RED Peterson 6.32. You will have to read the text on precise RED details.
