EECSE 461
Homework 4
Winter 1997
Prof. Tom Anderson
Due: Feb. 13, 3:30pm

All questions are equally weighted so make sure you get the easy ones right. You are free to discuss this assignment with other students and the TA, but you must each individually write up and submit your own solutions.

1. Peterson and Davie, Ch. 3, Problem 8
2. Peterson and Davie, Ch. 4, Problem 2
