CSE 521, Course Feedback, April 6

No names please. Non anonymous feedback may be sent directly to the instructor.

Question 1:

Lecture. How do you feel about the level of formality in lecture? Should results be covered in more or less detail. Is there too much or too little handwaiving.

Question 2:

In class activites: Do you consider the in class activities (working in groups) an appropriate use of time?

Question 3:

How does the workload and pace of the course look after two weeks. More? Less? Faster? Slower?

Question 4:
