

# CSE P 501 – Compilers

---

Last Lecture  
Hal Perkins  
Winter 2008

# Agenda

---

- Plan for today
  - Course evaluations (now)
  - Project review signups (during break)
  - Last lecture

# Course Evaluations

---

- Take 15 or 20 min. now
- Collected at both locations and forwarded to Dave Rispoli who will combine them and send them in
  - (i.e, the bad guy who hands out grades doesn't see them until it's too late. ☺ )
- We'll leave the room until you're done

# Project Meetings

---

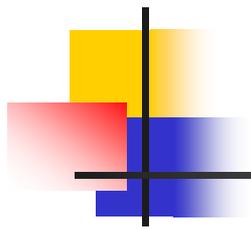

- Project due Sunday 11 pm
- 20 minutes per group in regular rooms
  - Tuesday 3/17, 5pm - ?, UW CSE
  - Thursday 3/19, 5pm - ?, Microsoft
- Signups – during break, fill out on paper if you know what would work for you
  - Need someone at Msft to email results to me
  - Later adjustments/additions via email

# Finis

---

- And that's it!
- Exams returned either at project meetings (optimistic), or drop by sometime and pick them up
- Have a great break!!
