

CSE 120, Section 9

Important Dates

Date and Time	Type	Assignment
TODAY, 2/4 before 11:59pm	Homework <i>on Canvas</i>	Creativity Project Planning
Wednesday, 2/5 before 11:59pm	Homework <i>on Canvas</i>	Portfolio Update 1
Thursday, 2/6 before 3:30pm	Reading Check	Reading Check 5
Friday, 2/7 before 11:59pm	Homework <i>on Canvas</i>	Creativity Project

Creativity Project

- In pairs, brainstorm TWO Processing projects, due TONIGHT
 - Make sure you start relatively simple and come up with good extensions for when you finish early
- You then implement and submit ONE of your two projects on Friday
- Use the tools available to you to make something fun and creative

Portfolio Update

- Taijitu, Logo Design, Lego Family, Animal Functions
- Make sure your URL was submitted on Canvas properly
- Check the rubric and make sure you complete every requirement!

While-Loop

- ❖ More general form:

```
// init cond var(s)
while (condition) {
    // loop body
    // update var(s)
}
```
