In-Class Exam Review

- Mini-exam overview
 - This mini-final does **not** reflect the difficulty and length of the actual final
 - Opportunity to try exam-style problems on paper
- 3 problems
 - Code comprehension
 - Debugging
 - Programming
- Task for today:
 - Work through each problem (one at a time) independently or with peers
 - Then, your lovely TAs will walk through their solutions and thought processes for each problem

Best of luck on the exam!
