In-Class Exam Review

- Mini-exam overview
 - This mini-final does **not** reflect the difficulty and length of the actual final
 - Opportunity to practice exam-style problems on paper
- 3 problems
 1. Code Comprehension
 2. Debugging
 3. Programming
- Task for today:
 1. Work through each problem (one at a time) independently or with peers
 2. Afterwards, we'll walk through our solutions & thought processes
 3. Problems & key also on Ed (look *after* class!)
