	When you do the updated personality test file, does the comparison tool also update? great!	Yes.
	For the husky class, since we can make it up is it ok to give it a different name or do we have to keep it as husky and just make a different named class for the critter competition? Thank you!	You should call your class Husky for what you submit to be graded, but as you suggest, you'll pick a different name for the critter tournament.
