Steve Martin
CSE 143 Section AB
Section 15 Itinerary

- ANNOUNCEMENTS
  - Turn in part one of HW5
  - Office hours today, 2-4pm
  - You should all have your partners by now and should know who your TA demo will be with.
    - PASS AROUND SIGNUP SHEET
    - During the demo, both you and your partner need to know the code. I will be asking questions of both of you.
  - Homework 4 will be handed back at the end of class.
    - Check the course web for some example homeworks that went above and beyond!
    - You guys did really well!
      - One of our guys had his homework be the official sample solution!
  - QUIZ ON THURSDAY
    - On the stuff we'll be covering today, mostly. Stacks and Queues.

- Stacks
  - Slides

- Queues
  - Slides

- Using Linked Lists with Abstract Classes: a review
  - Slides

- Homework 5
  - Should be designed by now. . .
  - Note that you can get mondo (3pts!) extra credit for new and interesting features!
  - Questions so far? Your designs will be handed back Thursday with comments.
