

### Extra Credit

Draw a picture of your TA using a data structure in his/her everyday life.  
For example, you could draw a picture of the TA eating a stack of pancakes.  
Make sure to put the TA's name somewhere in the picture so we know who it is.

(This is not an art class, so any drawing that appears to reflect more than a few moments' effort will get the point.)

### Extra Credit

Draw a picture of your TA using a data structure in his/her everyday life.

For example, you could draw a picture of the TA eating a stack of pancakes.

Make sure to put the TA's name somewhere in the picture so we know who it is.
