## CSE 311: Foundations of Computing I QuickCheck: Logic (due Thursday, September 25) Name: UW ID: CSE 311 Section (circle one): ACAAAB BA BB0. Fool Me Once... Consider the following sentence: I only left the light on in my office if I rushed home, but I either rushed home or left early. (a) Is the sentence a proposition? Explain why or why not. (b) Define smaller propositions in preparation for converting the sentence to logical notation.

BC

(c) Convert the sentence to logical notation.

| (d)  | Fill in th | e followir | ng truth t | able for the  | sentence: |  |  |  |  |   |
|--|------------|------------|------------|---------------|-----------|--|--|--|--|---|
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  | - |
|  |            |            |            |               |           |  |  |  |  | _ |
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  | - |
|  |            |            |            |               |           |  |  |  |  | _ |
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
| 1. How was lecture yesterday?  |            |            |            |               |           |  |  |  |  |   |
| (a) Did it go too fast/too slowly/just right? Please describe anything in particular that you feel went at the wrong pace. |            |            |            |               |           |  |  |  |  |   |
|  | at the w   | rong pace  | Э.         |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
| (b)  | Were yo    | u engage   | d?         |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
|  |            |            |            |               |           |  |  |  |  |   |
| ( )  | D: 1       |            |            | . 11          | 13        |  |  |  |  |   |
