

333 Section 10 Worksheet

Welcome back to section, we're glad you're here :)

Exercise 1

Reflect on your experience by yourself or with some neighbors on your experience working through the homework, exercises and in this course.

Guiding Questions:

- What were a few things that you took away from this course?
- What are a few things that you are still confused about?
- What were the most interesting topics to you this quarter?
- What advice would you give to a future CSE 333 student?
