CSE 401/M501 – Compilers

Course Wrapup

Spring 2022

Final Administrivia

- Please nominate great TAs for the Bandes award.
  - For CSE 401/M501 and for other courses

- Please finish course evals while they are still available

- hw4 due last night; if you have late days you can still use them until Saturday 11PM; sol posted then

- CSE M 501 compiler due tomorrow 11pm
  - Report due Sunday night 11pm
  - No late submissions on either of these

Final exam

- Tuesday 2:30-4:20, here

- UW strongly recommends wearing a high-quality, well-fitting mask for everyone's protection

- Closed book like midterm, but ok to have one 8x11 hand-written note sheet

- Topic list posted on website now

We're done!

- Congratulate yourself on what you've accomplished – particularly during this difficult year!

It takes a village…

- Thanks to a fantastic staff – it can't work without them!!
  - Robert Burris
  - Morel Takougang
  - Jack Zhang
  - Apollo Zhu
- And many previous iterations of 401 over many years (esp. Hal Perkins) for slides, project, section materials, guidance, …

Congratulations and best wishes!

Especially to 2022 Graduates –
Best wishes for the next phase of your career!
