

A decorative graphic on the left side of the slide consisting of white and light blue lines that resemble a circuit board or a stylized tree structure, with small circles at the ends of the branches.

WRAP-UP!

CSE 401 25SP

ANNOUNCEMENTS

- HW 4 due **TONIGHT**, can use up to 2 remaining homework late days
- Final review session on Monday @ 2:30pm in CSE2 G01
- Final exam Tuesday, 2:30 – 4:20pm, in CSE2 G10
- Email course staff if you need any additional resources or support!

AGENDA

- Register allocation review question
- Final topics overview
- General feedback of course
- Rest of time: HW4 OH

The background is a blue gradient with decorative white circuit-like lines in the corners. These lines consist of straight segments and small circles, resembling a stylized electronic circuit board.

REGISTER ALLOCATION REVIEW QUESTION

FINAL TOPICS OVERVIEW

See course website

<https://courses.cs.washington.edu/courses/cse401/25sp/exams/final-topics.html>

GENERAL FEEDBACK

- What did you enjoy about this course?
- What did you not enjoy so much about this course?
- What can we improve about this course?

The background is a blue gradient. In the corners, there are white line-art illustrations of circuit boards or neural networks, with lines and small circles connecting them.

THANK YOU

For an amazing quarter! We hope you learned a lot and enjoyed being your TAs along the way 😊
