

# CSE 403 Project Teams

See via Ed Announcements or Calendar for link

Today:

1. Find the other team members in your group
2. Exchange contact information
3. Discuss a regular meeting schedule and how you will keep strong communication between members
4. Review the 02 Requirements assignment (due Tues 1/27 11:59pm)
  - All team members are created equal and have an equal voice in how to shape the vision and requirements
  - It's ok to slightly change the vision based on the new voices on the team
