CSE 413
Programming Languages & Implementation

Hal Perkins

Spring 2021

Course Wrapup

Final Administrivia

- hw8 "due" last night, but really due 11 pm Sat. because everyone has 2 free late days now; no submissions after that

- Please finish course evals while they are still available

- Please nominate great TAs for the Bandes award.
  - Both for CSE 413 and for other courses

We're done!

- We managed to cover the essential core of CSE 413 in 10 weeks in spite of adjustments needed for a remote quarter

- Take a look back and congratulate yourself on what you've accomplished – particularly during this difficult year

This doesn't happen without lots of help...

- Thanks to a fantastic staff – it can't work without them!!
  - Smart Chang
  - Xinyue Chen
  - Talin Hans
  - Shauray Jain
  - Paul Karmel
  - Mike Nao
  - Wei Qiang

And thanks to…

You!

It has been a tough quarter and long year with the pandemic and remote classes. You should be proud of your resilience and what you've done. Please take care of yourself, watch your health, stay active, help yourself, your friends, your community.

Last words…

Congratulations and best wishes

Come by and say hello in the future – I'd love to know what you've been up to after CSE 413!

(and I'd actually like to meet everyone in person when we can!)
