

CSE 414 Section 3

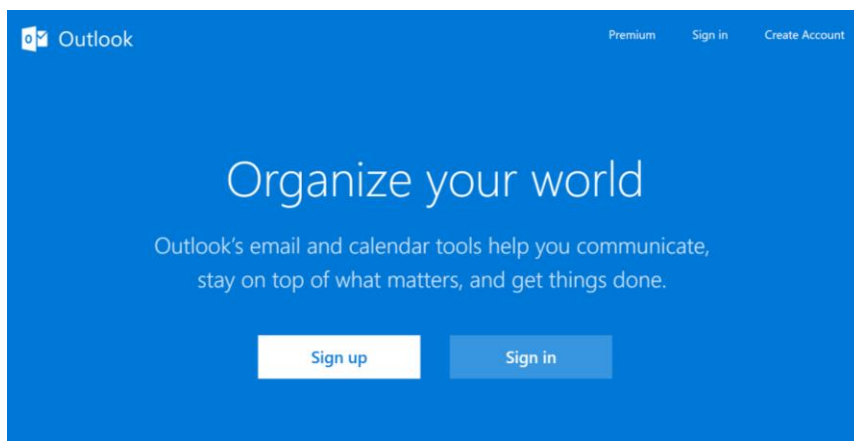

Instructions for setting up your Azure account

Note: during the process, **Please do not refresh the pages when the pages are still loading (You may lose your code)**

Step 1: Sign up a new email account!

Go to <http://outlook.com>, and **sign up for a new email account** (just use some name of your own choosing, we won't be asking you for it).

Again, to avoid potential failure, DO NOT USE YOUR OWN existing outlook/uw/whatever ACCOUNT. Just sign up for a new one. (you can discard it after you are done with the class)

Microsoft

Create an account

If you already sign in to a Windows PC, tablet, or phone, Xbox Live, Outlook.com, or OneDrive, use that email address to [sign in](#). Otherwise, create a new Outlook.com email address.

First name	Last name
<input type="text"/>	<input type="text"/>
User name	
<input type="text" value="New email"/>	@outlook.com
Password	
<input type="password"/>	
8-character minimum; case sensitive	
Reenter password	
<input type="password"/>	
Country/region	

Step 2: Activate your promotion code

Go to: <http://www.microsoftazurepass.com>

The screenshot shows the Microsoft Azure Pass sign-up page. At the top, it says "Microsoft Azure" and "All Microsoft Sites". Below that, it says "Try Microsoft Azure Pass" and "We're offering an Azure Pass, so for a limited time period, you can try Azure for free." There is a section titled "SIGN UP FOR YOUR PASS" with the instruction "To begin, select your country and enter a promo code." Below this is a dropdown menu labeled "Please Select Country" and a "Submit" button. To the right of the form is an image of a laptop with various icons around it. At the bottom, there are social media icons for Facebook, YouTube, and RSS, and a link to "Create a Support Case".

Select United States and Enter the promotion code that was distributed to you, and click submit

The screenshot shows the Microsoft Azure Pass sign-in page. At the top, it says "Microsoft Azure" and "All Microsoft Sites". Below that, it says "Please sign in using your Organizational account or Microsoft account, fill out the remaining information, then click submit." There is a "Sign in" button. Below the button, there are links to "Create a Microsoft Account" and "Create an Organizational Account". At the bottom, there are social media icons for Facebook, YouTube, and RSS, and a link to "Create a Support Case".

Make sure to sign in into **the account you just created**.

IMPORTANT: the browser may remember your login to your own account, so you need to **logout of your own account first** BEFORE clicking on sign in!!!

Fill out the remaining information, then click submit.

First Name*

Last Name*

Microsoft account*

If the above email address is incorrect, please [Sign Out](#) and redeem using the correct account.

Enter your name here, and click submit!!
