

Mackenzie Miller, Erin Peach, Ben Tebbs

Background

- Seattle Public High Schools:
 - 50% of students with disabilities graduate
- Individualized Education Program (IEP)
 - Teachers, parents collaborate
 - Individualized student accommodations and goals

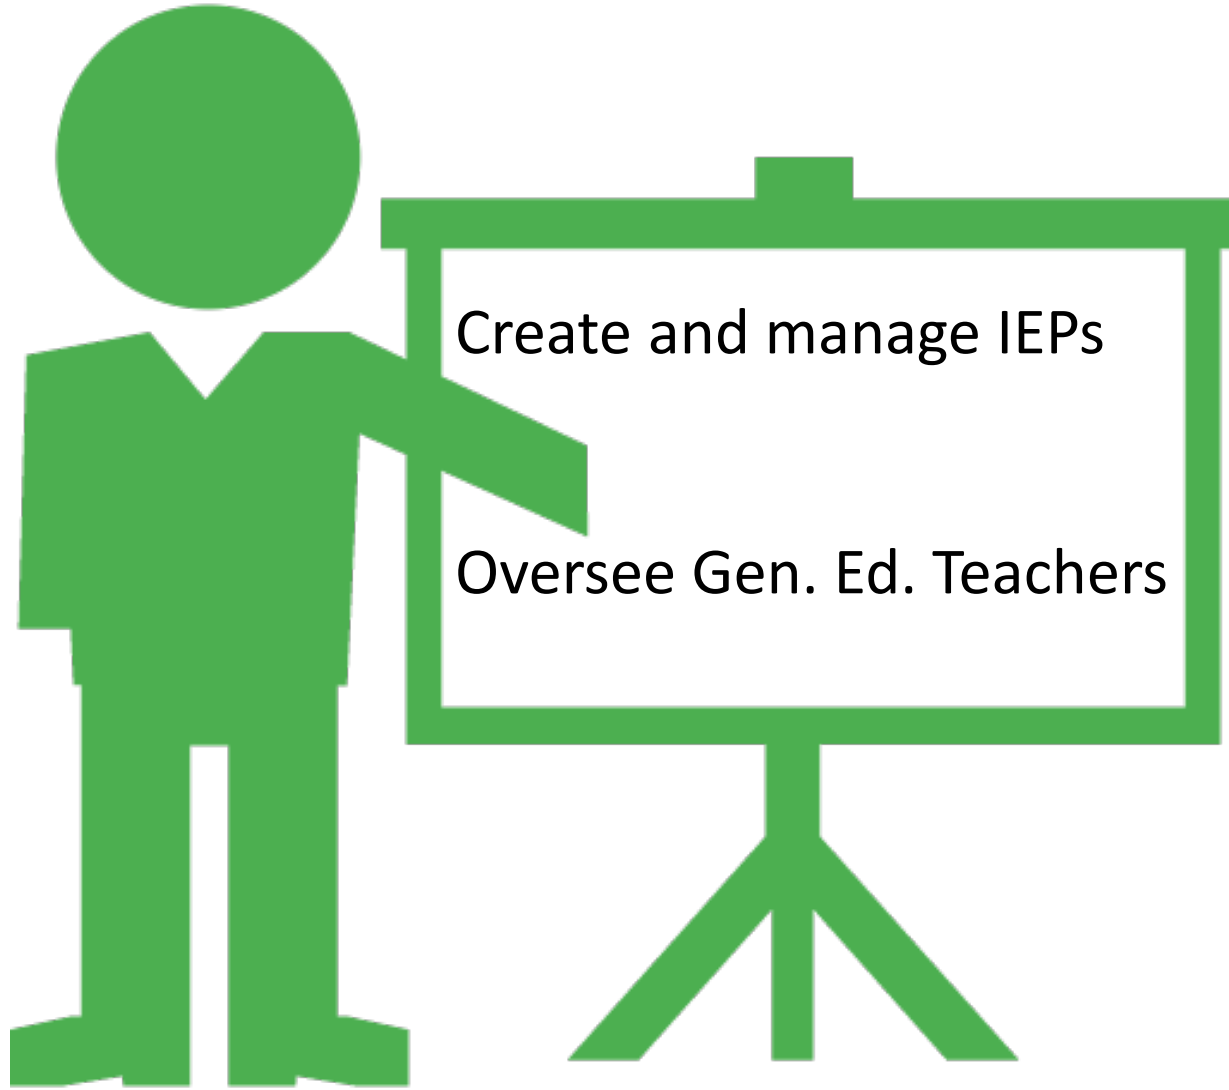

Problems

- Tracking student progress towards goals accurately, efficiently
- Ensuring accommodation requirements are met
- Enormous amounts of paperwork

“The IEP experience is just plain awful across the board”

Special Education Teacher

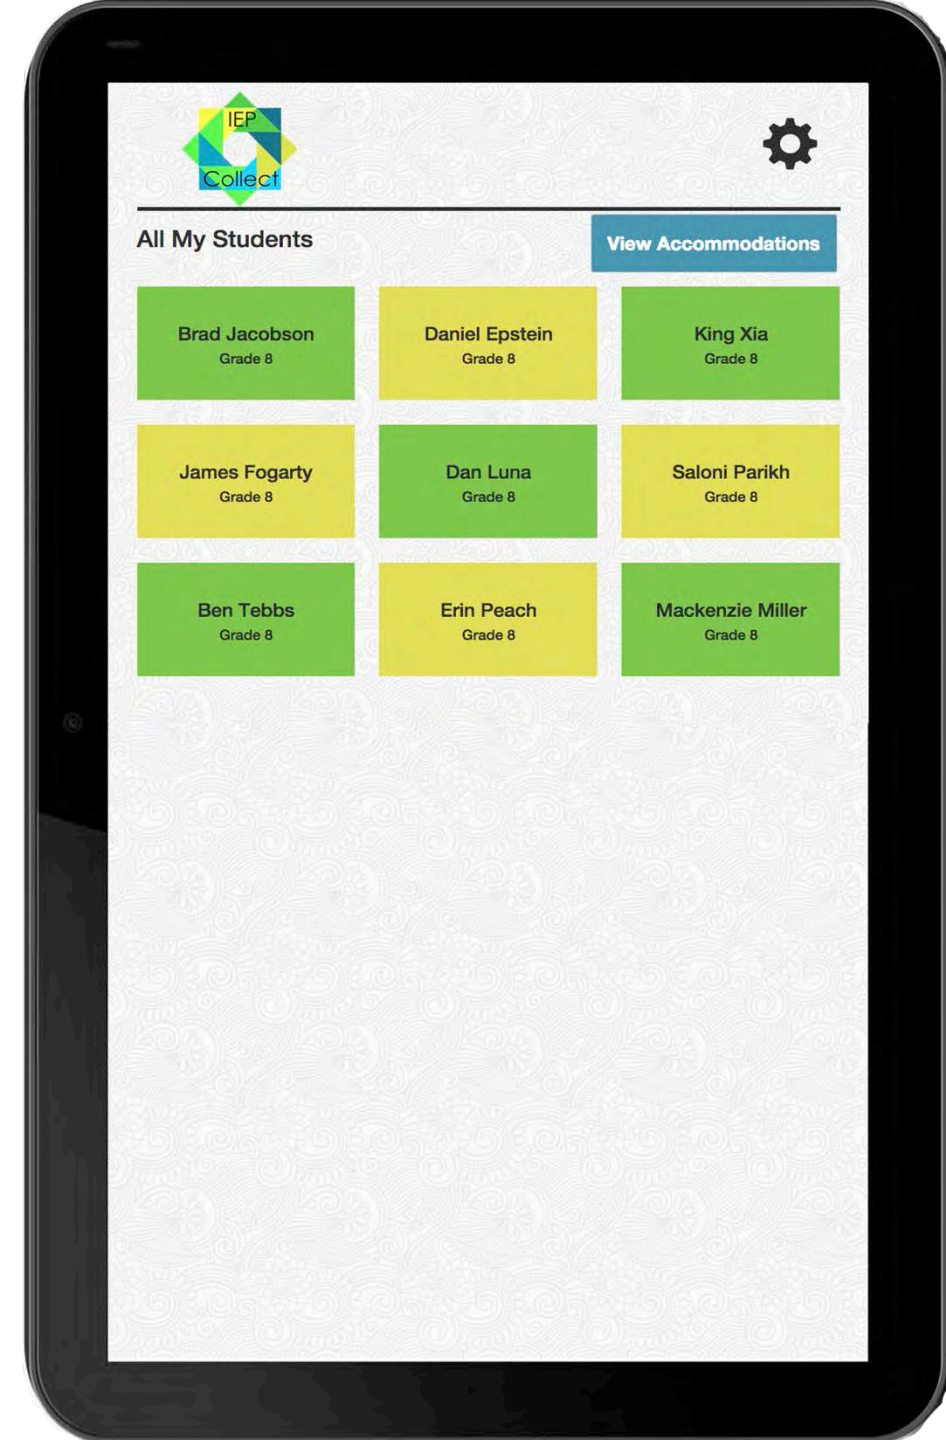

General Education Teacher

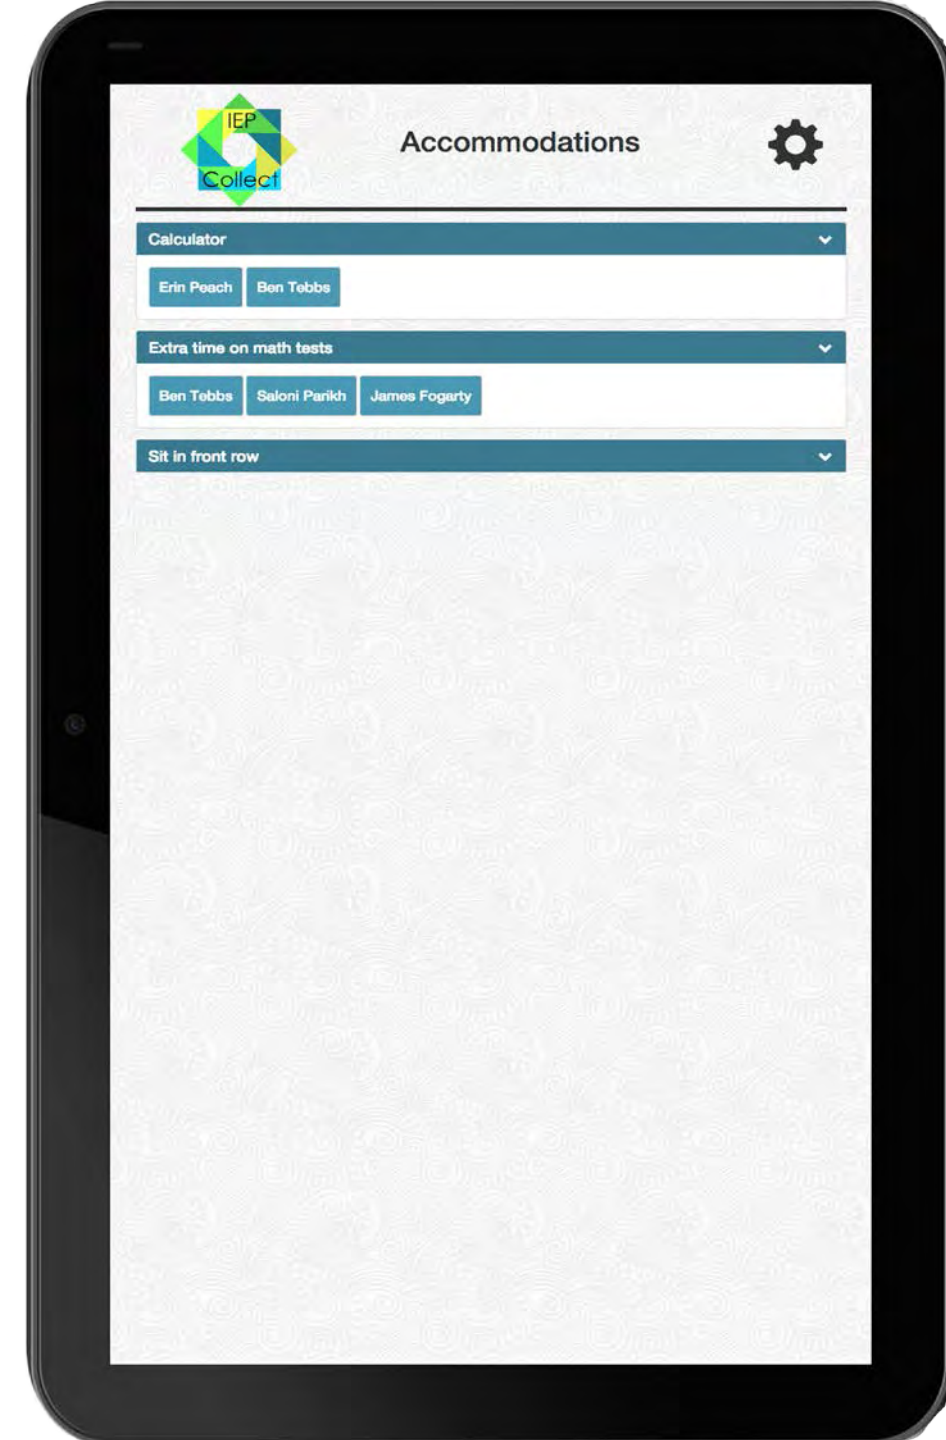

Home

- Tablet App Design
 - Portable classroom tool
 - Vertical align, similar to a clipboard
 - Few pages for efficient in-class use

Accommodations

- Quick accommodation reminders
- Multiple access points
- Contextual reminders:
 - Who needs a calculator on this test?
 - Who needs extra time on this assignment?

Student Profile

- Simple, reliable data collection
- Accommodations visibility
- Simplified IEP goal descriptions

IEP Collect Ben Tebbs - Grade 8

Accommodations

- Calculator
- Extra time on math tests

Goals

1. Reduces blurt outs during story time
2. Pays attention during group lessons
3. Works collaboratively with other students
4. Remains seated during classtime.

Tracking

Number of blurt outs
Specify a length of time (in minutes):
67
Tap each time the behavior is witnessed
Tally 5
GOAL(S): ①

Portion of time facing the front of the room
3
GOAL(S): ②

Participated (verbally) in small group discussions
Times Successful:
3
Opportunities Given:
5
GOAL(S): ③

Stayed in seat during classtime.
Yes
GOAL(S): ④

Submit All **Clear Form**

Goal Tracking

- Multiple track items per goal
- Goals can share track items

IEP Collect
