Tisha Trongtham

PROBLEM

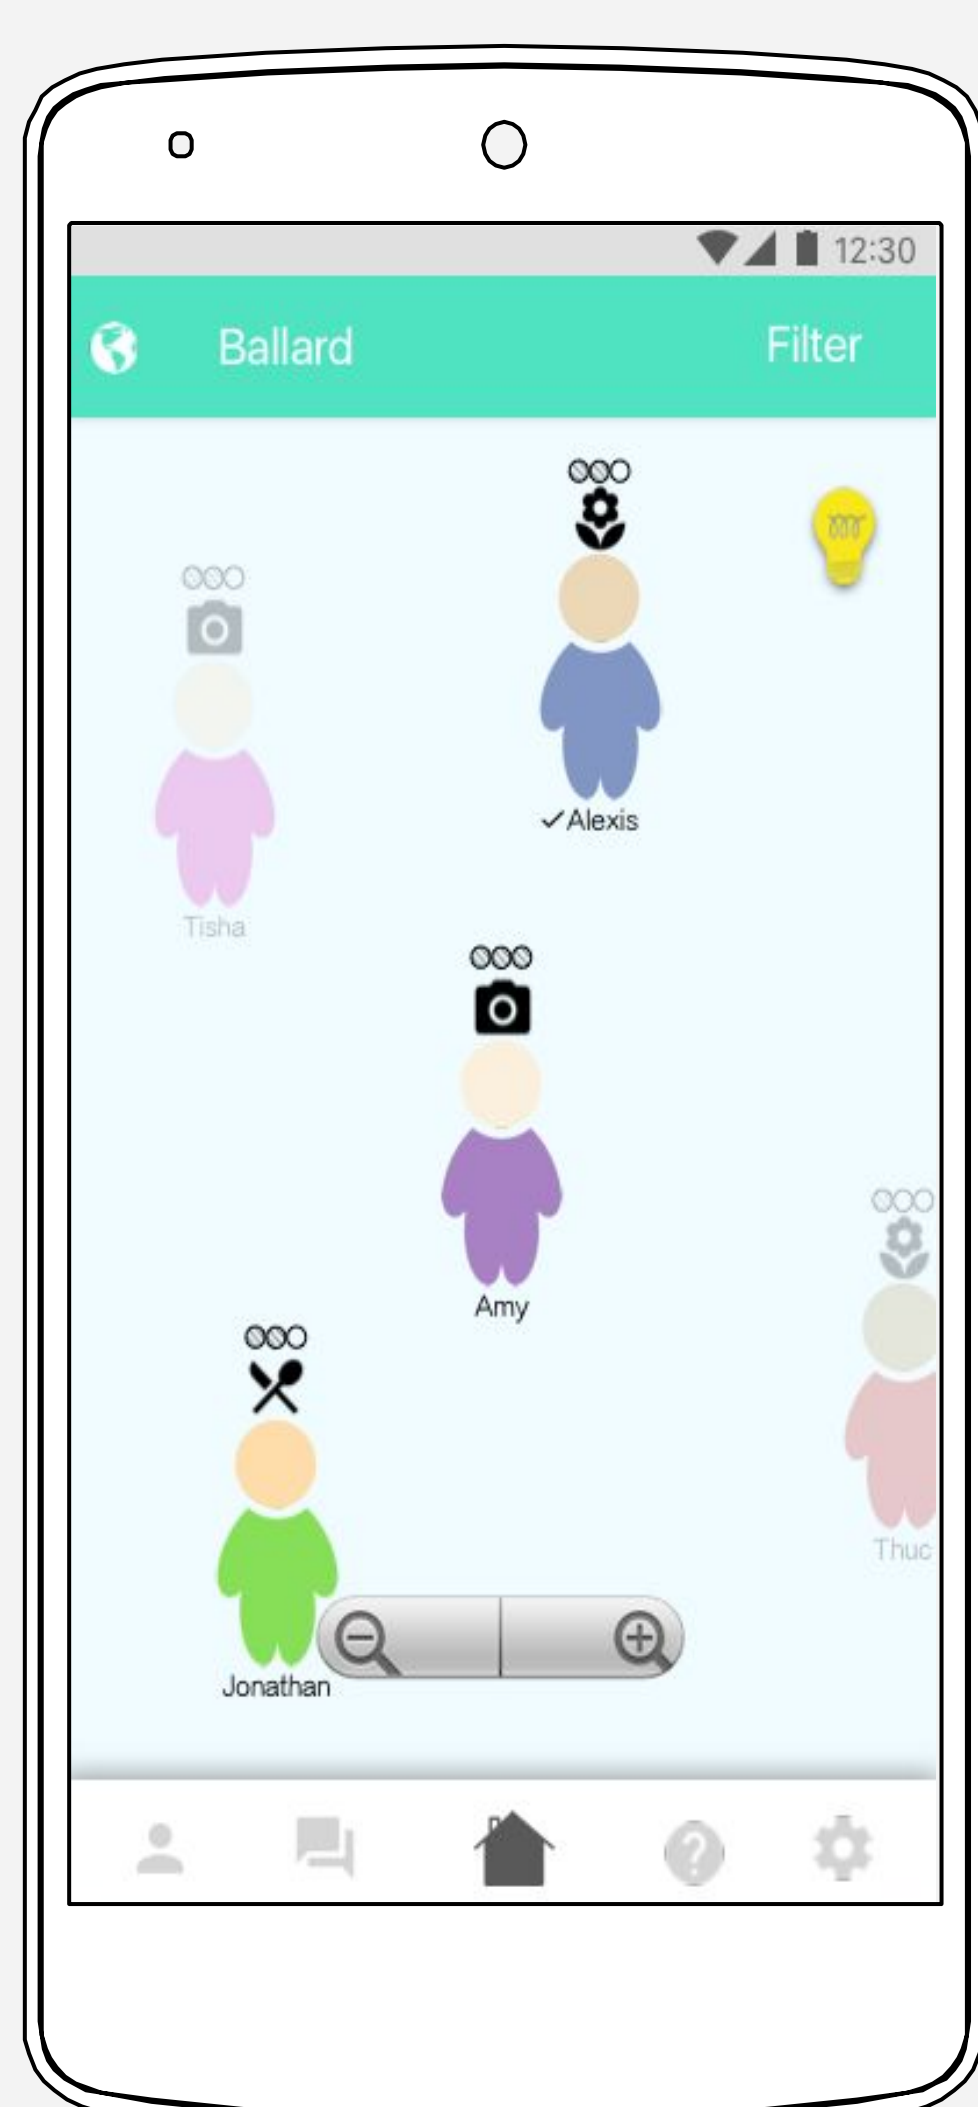

People want to learn skills but don't know where to find help nearby.

VALUE PROPOSITION

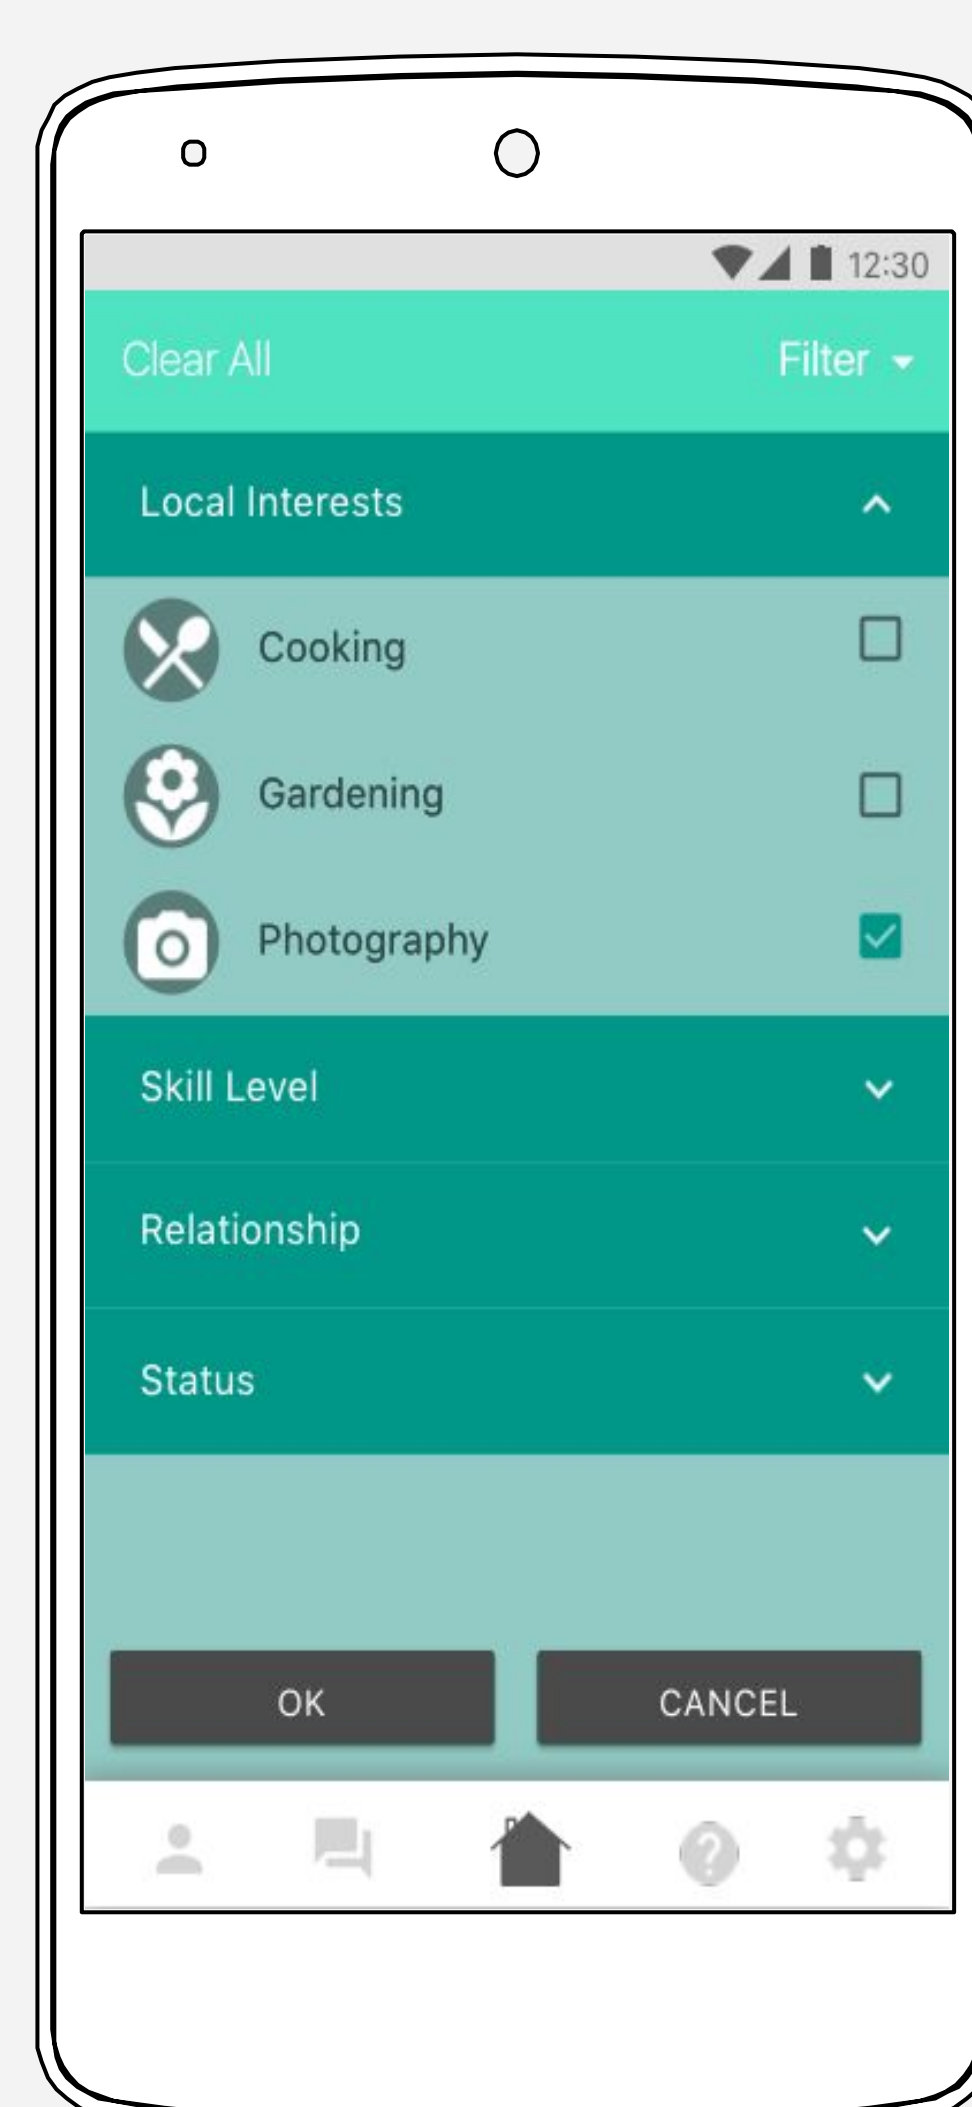

A social networking app for meeting locals who are just as passionate about their hobby as you are.

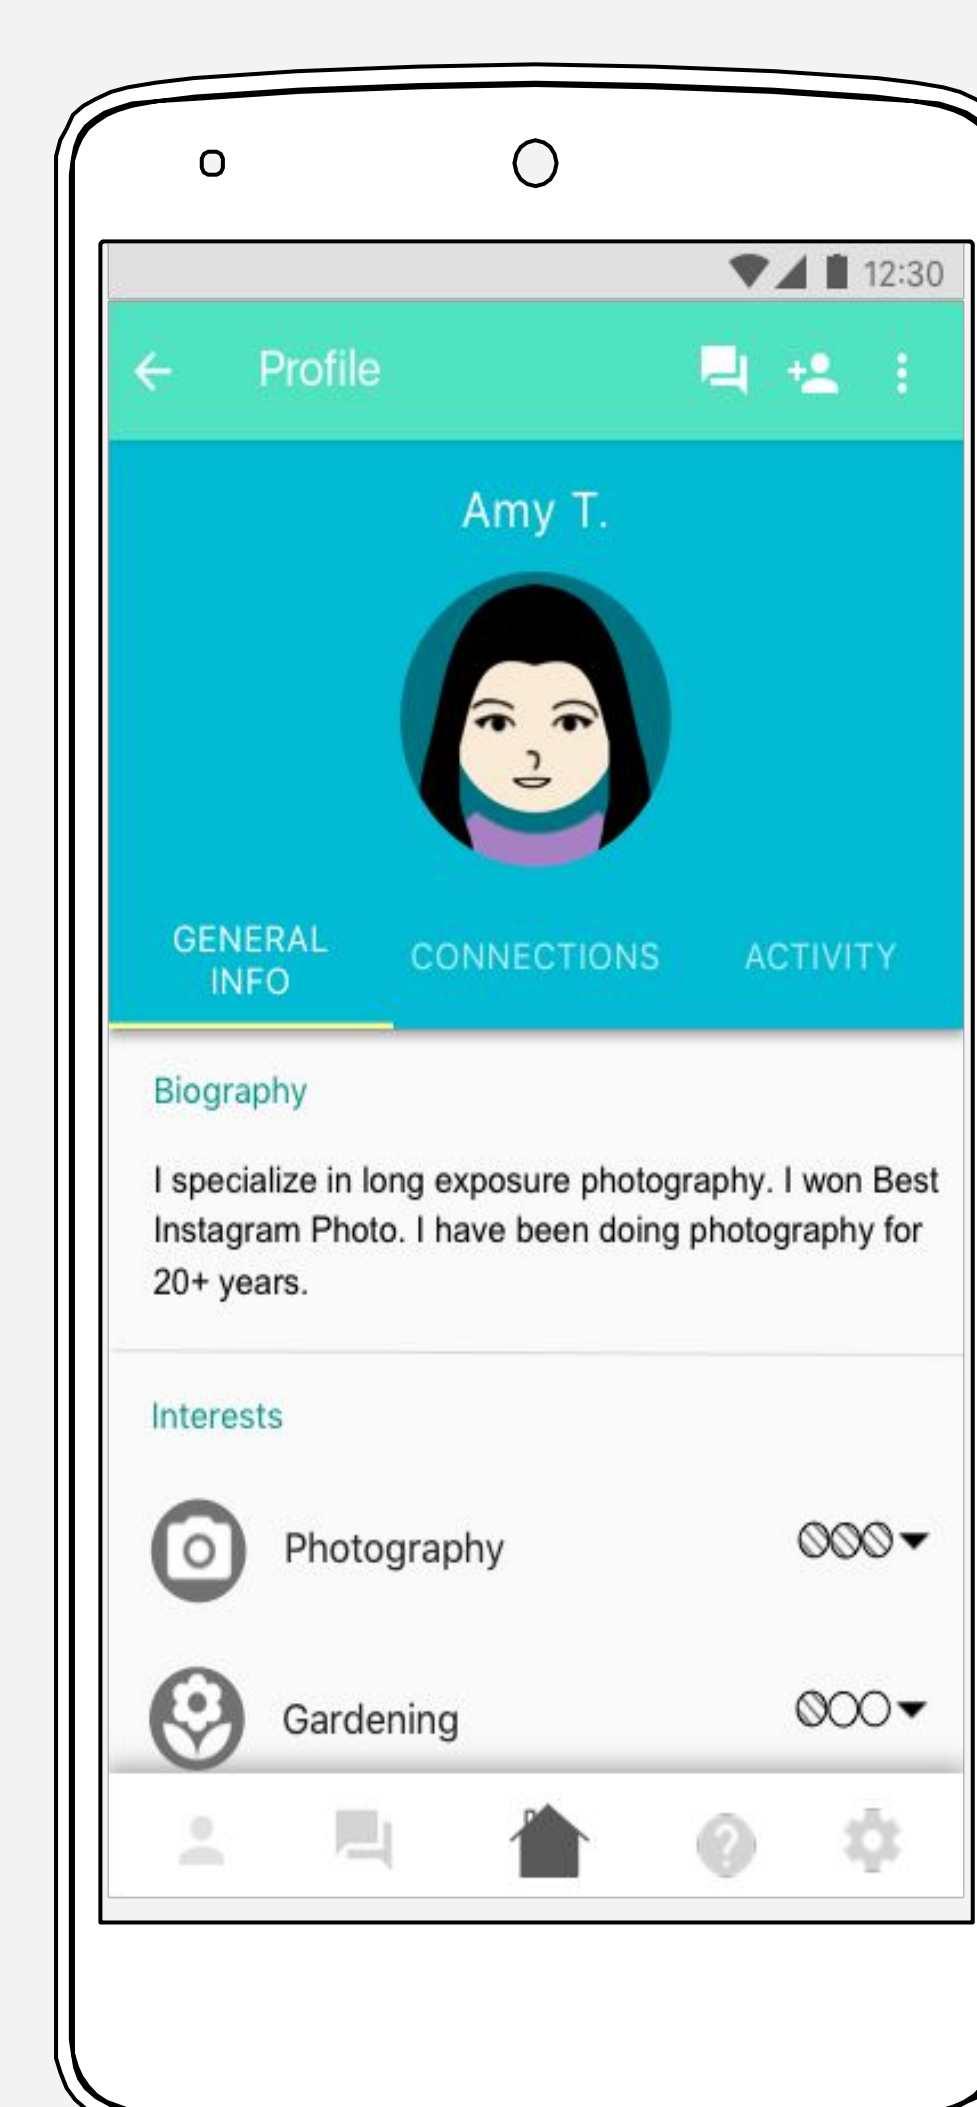

Get suggestions for people in your neighborhood who you might get along with.

See your neighbors in the neighborhood room.

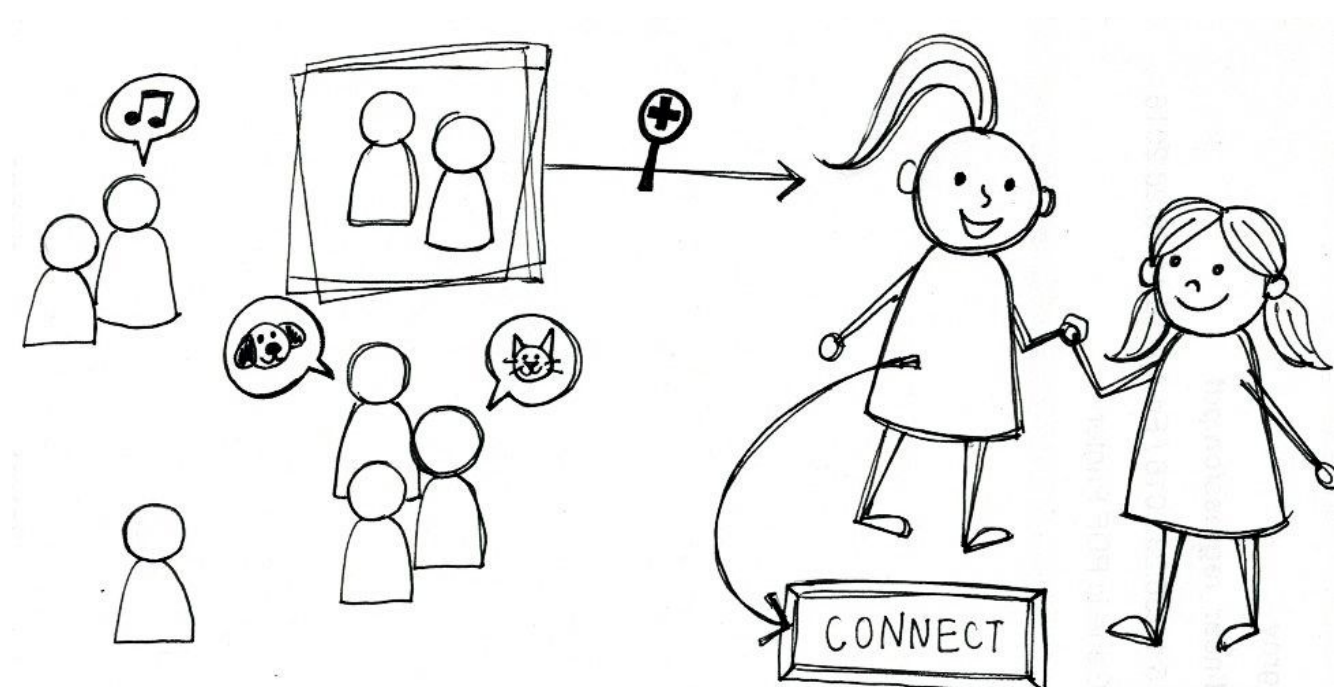

Use filters to customize the neighborhood room.

View your neighbors' profiles to learn about them. Message or add them as a connection.
