

Final exam

When: Wednesday, December 14, 2:30pm - 4:20pm

Where: Our regular classroom (EE1 003)

Format: Closed book

Material:

- ◆ Covers everything up to and including subdivision curves and surfaces, not including C^2 interpolating curves.
- ◆ I will ask about material covered in lecture; i.e., I *won't* ask about material covered in the book that isn't covered in lecture.
- ◆ Can use homeworks and summaries at end of lectures as a guide for what you should know.

Extra office hours:

- ◆ I'll hold final exam office hours on Tuesday, late afternoon. Drop in and ask questions.
- ◆ More details coming in email.

This sheet is posted off of the lectures page.
