

2018 VR/AR Capstone Demo Day!

Thursday, December 13th -- 5:00pm-6:30pm

in the CSE Atrium

(Paul G. Allen Center, 185 East Stevens Way NE)

Six student teams will demonstrate the AR and VR projects they have been developing for the AR/VR Capstone Class on **Magic Leap One** and **Windows Mixed Reality Headsets**.

- Try the demos yourself
- Talk to the students about their work
- Get a Reality Lab sticker for your laptop or water bottle
- Have a snack (refreshments will be provided)

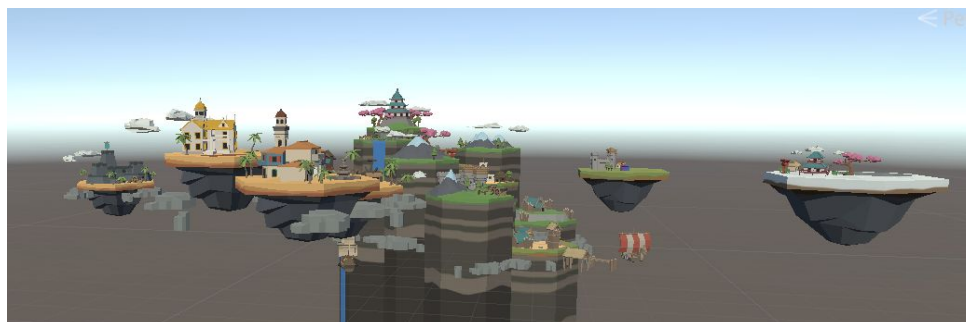

Demos will include: Cold-War Air Traffic Challenge. Fire Fighting simulation. What does it feel like to drive drunk? Bring your documents into 3D with AR. Conquer Islands in Augmented Reality. Visualize the Laws of Physics in VR.

What does it feel like to drive drunk?

Fire fighting simulation

Island warfare strategy game in AR
