

CSE 484 In-class Worksheet – Lecture 22 – Fall 2017

Name: _____ UW Student # : _____ Date: _____

Email address: _____

Partner names for this activity: _____

Check here if you think you might eventually pick up this worksheet from Franzi's office: ____

Q1: What is anonymity? Why might people want anonymity, or NOT want anonymity, on the internet?

Q2: Consider the message that A sends to B via the mix: $\{r_1, \{r_0, M\}_{pk(B)}, B\}_{pk(mix)}$
Why do we need the random numbers?
