

CSE 571: Probabilistic Robotics
Assignment #1
Assigned: January 5, 2012
Due: Thursday, January 12 (start of class)

Please typeset your solutions to these problems (preferably with \LaTeX). Either printed or emailed solutions (peter@cs.washington.edu) will be accepted, but know that I will be printing out email attachments, so you won't be saving any paper by emailing.

1. Chapter 2, Problem 1
2. Chapter 2, Problem 3 (Note: see the transition table in Chapter 2, Problem 2)
3. Chapter 2, Problem 5
