

## Division of Labor

### Martha

- Implemented general framework: general multidimensional board, move, applying moves to board, identifying runs etc.
- Scripted experiments and ran simulations
- Data analysis (primarily Tic Tac Toe)
- Wrote paper
- Edited paper
- Created diagrams
- Prepared paper for submission: latex, figures, tables etc.
- Edited user manual

### Kasia

- Debugged framework (no small task!)+ scored move, streamlining main for easier (less typing) moves
- Implemented Minimax with heuristics
- Data analysis (primarily Connect Four and varying size cubes)
- Wrote paper
- Edited paper
- Documented code
- Wrote user manual
- Edited user manual
