

## **590IT Observation Report**

(to be filled out by the observer)

**Observer:**

**Observable:**

**Course observed:**

**Date and time of observation:**

Some time soon after the observation, have a follow-up discussion with the person observed.

**Date of follow-up:**

In general, what kinds of things did you talk about in the follow-up? How did the discussion go? (You do NOT have to give me comments, positive or negative, about the person's teaching).

Please give me some of your reactions to the process of observation. Easy? Useful? etc.
