

Problem Set 6

Due Sunday March 19, 11:59pm

1. xv6, Chapter 6, Problems 1-7. For Problems 1-2, also answer: Can xv6 prevent those panic's from occurring? How?
2. Modify the file system to support larger files by adding a doubly indirect block pointer. (Repurpose one of the direct block pointers -- do not change the size of the inode.)
